JUDGMENT

This transfer petition is filed by the wife to transfer O.P.347/07 pending before the Family Court, Ernakulam to the Family Court at Palakkad. The unfortunate couple who got married in the year 1990 at Palakkad and having begotten two children want to separate and for the same the husband had moved the Family Court for a divorce. I hope and feel that better wisdom will prevail and there will be earnest attempt by all concerned to find out whether a reconciliation and compromise can be arrived at between the parties.

2. Now to the facts of the case. The transfer is prayed for on the ground that the wife is suffering from degenerated L5/S1IV disc with diffuse posterior and central protrusion at L5/S1 level. The doctor has certified that she has to avoid travel. The doctor certificate is based on the report of the diagnostics centre. So, materials are available to show the problem of the spine of the wife. The husband is a doctor and is an Anesthetist. Since the petitioner is advised not to travel and as it will cause inconvenience, I feel just and reasonable to transfer O.P347/07 pending before the Family Court, Ernakulam to the

Family Court at Palakkad. The Family Court, Palakkad shall try to dispose of the matter as expeditiously as possible after making an attempt for a reconciliation between the two. Transfer petition is disposed of accordingly.
